“CAJ House is convenient, clean, and comfortable.”**AndyTravel_8**

Washington, DC

Feb 5, 2008

I could not have found a better place for my 2 1/2 month stay in Boston. CAJ House is well situated in the dynamic South End, close to the Silver Line bus running into downtown. Amenities are nearby, including dry cleaners and groceries. Laura, the house manager, is extremely responsive and helpful. The apartment I rented (#5) was wonderfully appointed,...

“A great find: a snug attic room for a winter stay”**AlistairW**

I stayed for 3 weeks in Feb 2007 while working at my company's HQ just outside Boston. I walked to Back Bay and commuted out. The location was great, and I just started to get to know the stores and restaurants in walking distance. The apartment was small (up in the attic), but worked just fine. Warm, clean and well...

“A Cozy Stay in the Lively South End”

We stayed in CAJ Guest House (apartment no.8) for one month in July 2007. The apartment is warm, bright, and comfortable, with great facilities including wireless internet, telephone, cable TV, a fully equipped kitchen, and laundry in the building. The owner and manager are very friendly and helpful: whenever you have a problem, you can count on them! The location...

I stayed twice at the CAJ House during 2007. Each stay was for a month. The property is a comfortable and secure set of apartments within a historic house located opposite a school and along a lightly travelled road. My first stay was in Unit 4 which is a large comfortable studio located on the ground floor. My recent stay...

I was visiting Boston to do a course and didn't know the city. Caj House is a lovely clean brownstone apartment house in a quiet residential area. The area is well serviced with a variety of restaurants, grocery stores and a choice of bus services all within a couple of blocks. The apartments have great facilities including wireless internet access...

“Great place to stay!”

I thought this was a great place to stay during my six-week research trip to Boston. The apartment was small (a studio, like it says) but very nice-- nice kitchen with appliances, dishware, full size fridge, TV with cable, wireless internet, nice bathroom, on-site washer and dryer. I felt like it was definitely worth the money. All of the apartments...

“A warning to anybody trying to book at Caj Guest House”

This is a warning to anybody trying to book a stay at Caj Guest House. - DON'T. My husband and I contacted Walter direct and asked if we could rent one of his apartments for four nights in July this year. He replied to our email by stating that we would have to pay for a week even though we...

Management response from cajhouse, owner

This potential guest never stayed at Caj House and we will challenge his/her rating with tripadvisor.com. Our policy is one week minimum rental and this potential guest acknowledged he/she understood this by signing our reservation agreement. Our policy about check outs is 11 AM at the latest. This potential guest ignored our written policy and wanted to leave late at...
